Tracy at the time she left I was not told to persevere the emails so once we remove the office 365 License it removed her email. The county does not have a mail Archiver so there's no way to retrieve old emails once the mailbox is removed by o365.

Thanks

Charles, Could you please confirm that the County can or cannot retrieve Misty Hamptons emails prior to her leaving the County? Or do we have them stored in any format for access to them in the event of any open records request or inquiry?
